Good morning,

Update with respect to the Worldwide Demo taking place this weekend REDACTED, the convoys coming to Ottawa this weekend may include rigs, which would create traffic disruptions depending on numbers.

We have an intel call tomorrow to discuss the following weekends planned events on Parliament Hill, but I will canvass our partner agencies to see if they have updated info for this weekend.

Thanks,

Sean

Subject: Worldwide Demo 6 - Jan 22

Good Afternoon,

It seems we have a busy weekend ahead!

I am reaching out to the group to check on current intel regarding this weekend's planned events, as this will help us assess resource requirements.

Worldwide Demonstration (https://worldwidedemonstration.com/ [worldwidedemonstration.com])

As part of a worldwide initiative, there is a Worldwide Rally for Freedom being planned….worldwide!

Nationally, there are plans for a coordinated protests across the country.

Locally, there are convoys scheduled to arrive from Pembroke and Kingston, arriving at approximately 11am in support of this protest.

REDACTED (https://www.facebook.com/REDACTED [facebook.com]) is organizing the Kingston convoy/REDACTED The Kingston convoy starts from the Odessa On Route, stops at the Mallortown South On Route before getting to Ottawa. The Pembroke convoy is being organized by REDACTED (https://www.facebook.com/REDACTED [facebook.com]). It leaves for Ottawa from the Irving Truck Stop in Pembroke.

It is unknown if they will stay on the Hill, or if a march is planned.

Raising Awareness and Freedom of Information Event

A second event is planned for the Hill on the same date and time. Although they will have some of the same speakers, the event is not linked. They have a planned march route that will see them leave the Hill at 1400 hours and return to the Hill at the end of their march.

They plan on having approximately 92 people attend.

I have reached out to the organizer and will give you all an update as to parking plans, etc once I speak with her.

That's all I have for now, if you have any updated info/intel let me know and Special Events can update the DFS.

Take care,

Sean
